# Eligibility

To be eligible, you must be a resident of Canada (excluding Quebec), and be an active active contractor of TEEMA Solutions at the time of application.

**Coverage will commence 60 days immediately following the eligibility start date. Your enrollment must be completed and received by Effortless Admin Inc. within 31 days of the effective date to avoid providing medical evidence.** Coverage will be billed as of your calculated effective date regardless of the date your information is received with no exceptions. Premiums are billed in advance of the due date, and are due upon receipt (EFT options available for automatic withdrawal on the 7th, 15th or 20th of the month).

Applications received after the enrollment period may result in restricted dental benefits, medical questionnaires, and pre-existing exclusions, etc.

**All eligible dependents must be included on the initial application** – dependents can be exempted from the health and dental benefits as long as alternate coverage information is provided on the application (eg. spouse has coverage). If you are exempting coverage, and later lose the alternate policy, ensure you notify Effortless Admin within 31 days in order to activate your health and dental coverage without providing medical evidence!

Members will have the option to modify their coverage up or down by one level every 24 months of active coverage, or at the time of a life event. A life event is defined as an event that would result in a change to your dependent status (single/couple/family), such as marriage, divorce or having your first child.

# Enrollment Process

1. To enroll, send an email to [johnash@rogersworks.com](mailto:johnash@rogersworks.com) with the following information:
  - Full Name, Date of Birth, Province of Residence, Email Address, Membership Date and Plan Choice (Copper, Bronze, Silver, Gold or Emerald)
2. You will receive an email that contains online enrollment instructions.
3. During the enrollment process you will be asked for your contact, dependent, beneficiary, and alternate coverage information.
4. Once your enrollment is submitted you will be instructed to print, sign and mail in the original copy of your enrollment form(s) along with a void cheque for pre-authorized withdrawal of the monthly premiums. Failure to return the original forms with banking details within six weeks will result in termination of coverage retroactive to the initial effective date.
5. Once original forms and payment information have been received, a benefit package will be sent to your home with your “Benefits-At-A-Glance” booklet, benefit statement, pay direct drug cards, and brochures on how to submit claims.

Rates and Premiums are subject to change and are effective as of January 1, 2019.
